

FOR SALE – 1950 VH (ACT Region) - \$9,500 ono

Over \$13,000 on purchase and parts (receipts available). Both wheels have been rebuilt with new rims spokes and tyres, plus coach lining the rims. Frame and all brackets have been powder coated. The engine top end was rebuilt with head work and bore done. Has new seat cover, new handle bars and controls, new Amal carburettor, new paint work with pin lining on the 1951 petrol tank, new battery and cover, pipe and muffler has new chrome, new head light and tail light, gear box has been reconditioned, new kick start and gear lever, new bearings throughout including axles and reconditioned speedo. Bike hasn't been fettled since rebuilding so magneto may still need an overhaul and carby, although new from Draganfly, may need new seals/gaskets as the carby has been sitting for a while. Call Garry on (02) 62312151 or email to gazza_d@hotmail.com.

1950 VH (1951 Tank): Eng. No. MN484; Frame No: AB830
