

ALLOY POLISHING KIT

Hand Grinder Polishing Kit

The polishing kit, pictured above, comprises:

- 1 x scouring pad (for removing scratches before polishing)
- 4 x polishing pads
- 2 x polishing soap cakes
- 2 x 20mm drill pad
- 1 x 25mm (domed) drill pad, and
- 1 x 30mm drill pad.

The polishing kit is used on a 4" angle grinder and ¼" electric/air drill or die grinder to shine alloy parts while still fitted to the bike.

Cost: \$45

To obtain kits, please contact Col Hill on (02) 62420495 or e-mail to colhill@grapevine.com.au.
