

WANTED

1. Rigid or plunger square 4 frame any year 1937 to 1959, plus girder fork's 1939 to 1947 (complete or incomplete) or girder fork parts [mainly after blades]. Contact Peter Jessup. Mob: 0429 395 261.
2. 1929/1930 OHV rocker and tappets, 1926/1927 front wheel and hub. Contact John Deeth on [H] (07) 3266 7760, [W] (07) 3139 5914 jdeeth1@optusnet.com.au.
3. One set of NH (steel) flywheels. Also one VH conrod. Contact David Anderson. Ph: 02 44460731 or Mob: 0409 939 333.
4. Ariel swinging arm frame to take a 500 OHV engine. Contact Brett Hayhurst; Mob: 0408 480 209; email: alias@wn.com.au.
5. Parts for 1928 Model E – 500 cc motor parts, tank and footrest parts, post seat, plus any other Model E parts. Contact Leon Williams, Ph: (02) 99132993; Mob: 0416 132 993; e-mail: leonwilliams@optusnet.com.au.
6. Frame for 1952 VCH - prefix 'OR'. Will swap my rigid frame with cash adjustment or buy outright. Contact Neil Barclay Ph: 03 57273573, Mob: 0437 873 573; Email: nbmoncoll@hotmail.com; PO Box 240, Oxley VIC 3678.
7. (i). I have a petrol tank for a 1932 Ariel cammy Sq4 (hand change). The tank is in very good condition. I assume this tank may also suit a 1932 Sloper as they used the same twin down tube frame. I would like to swap this tank for a petrol tank, in similar condition, to suit a 1934 - 36 Cammy Sq4 (foot change).
(ii) Rear backing plate only that suits 1944-1936 4F OHC. The slot in the backing plate needs to be in line with the axle hole.
Please phone Chris Ridsdale 03 53425000 or 0448 425 001. E-mail to cdridsdale@bigpond.com.
8. Petrol tank to suit 1939 VB in good order suitable for chroming, lid for pre-war tool box (loose lid type) with centre hole, and timing cover with VB600 marking. Please call Bruce on 0418 776 795.
9. Set of four, thick base pushrod followers (solid type, not spring loaded) to suit 1951 on KH 500 cc twin. John Keating (03) 5026 0209.
10. 1940s or 1950s Ariel 600 or 500 (single or twin) – contact Greg Gleeson on (02) 96837235 or 0409 015 957.
11. I need the following parts:
 - (i) Rigid Sq 4 frame - P pre-fix
 - (ii) Quick detachable rear wheel and fittings for a rigid (3 bolt)
 - (iii) 14 tooth crank shaft timing sprocket
 - (iv) Upper and lower chain guards
 - (v) Gear box main shaft gears - 26 and 20 tooth sliding gear (if unworn and un-pitted)
 - (vi) Gear box lay shaft - 11 teeth speedo drive gear and gears (if unworn and un-pitted).
 - (vii) Fully detachable tool box lid (can swap a main box body for a lid)
 - (viii) Set of new con-rod slipper bearings + 20 thou.
 - (ix) Left hand side foot rest.
 - (x) Right hand side foot rest support casting.Contact Matthew Gellert: Phone (03) 95965834, Mob 0408 738 765, or e-mail matthewgellert@hotmail.com. Happy to buy or swap other parts for the bits I need (i.e. should I have the bits you need).
12. Complete Square 4 MK2 engine (duplex timing chain). Contact Reg Taylor (08) 89721520 or if not answering, write to Po Box 1867 Katherine NT 0851.
13. Head for a 1937 – 1940 Square Four 600 cc 4F (OHV). E-mail Eric at parkerhotelspty@bigpond.com.
14. W/NG – complete bike in running order. Contact John Wood on 0412 277 623 or john.wood@telcosi.com.
15. 1926 heavyweight gearbox parts. Please call Rod McCue on (08) 8532 2111 or e-mail: mccue@lm.net.au.
16. Ariel 500 Twin engine/ parts to suit '49 sprung frame, Phone Norman- 0260359120 A.H.

17. PA speedo and cable, oil pressure gauge, clock, panel lamp, voltage regulator, side (prop) stand (attaches to engine plate), Amal 276 carburetor body and bell mouth – all to suit 1937 VB. Contact Charles Wade, Ph: (03) 57762298; e-mail: hempriggs@skymesh.com.au.
18. Ariel Leader/Arrow bike or parts (frame, chassis parts, forks & wheels). Have five sets of brake plates and shoes, plus head and some engine bits for trade. Would like to hear from anyone with expertise in restoring Leader/Arrow bikes. Contact Lincoln, Mob: 0418 383 938; Ph: (03) 97371783; e-mail: linkandclaire@dodo.com.au.
19. Frame, tank, handlebars, wheels for a 1916 Ariel (3-speed). Have motor, gear box, magneto and carburetor but need rest to start restoration project. Call Norm Clark, Ph: (03) 97285295; Mob: 0409 861 804; e-mail: cherylandnorm@yahoo.com.au.
20. Set of 4G MkII Crankcases (good condition), SU Carburetor (suit MK2 4G), outer camshaft cover for 1935/36 600cc OHC 4F (the part that the brass plate is attached to – P/N 2021-31). Call Bill McKee on (07) 46353976.
21. 1954 Ariel single primary chain case (any condition, but complete set would be great). Contact Peter, Ph: (07) 31683234; Mob: 0414 447 627.
22. Rigid Ariel frame. Number not important, just good condition (straight) for use in classic racing. Contact Neil Barclay on (03) 57273573 or 0437 873 573.
23. Set of chain cases to suit post-war single. Contact Ron on (02) 4677 1998.
24. 1946 Ariel 500 Girder Fork Parts: 4850-34 Handle Bar Bracket with Solid Caps for Flexible Mounting; 4854-34 Pressure nut for Rubber Packing; 4856-34 Steel Disc Next to Packing; 4858-34 Rubber Packing. Contact Trevor Dukes Shellharbour NSW Ph: 0242973445 or Mob 0411644803.
25. Parts for 1957 KH 500 Twin. Contact Mike Rooney (WA), Ph: (08) 94054926 evenings or weekend; e-mail: g.rooney@bigpond.com.
26. 1939 plunger frame rear or centre stand lugs. Phone Ross on 02 48220288 or email: rossluff@wirefree.net.au
