

AFFILIATION WITH MOTORCYCLING ALLIANCE

The State bodies associated with Motorcycling Australia, with which the AAR was previously affiliated, has now taken over management of affiliation for non-competitive clubs. The A.A.R. is now affiliated with NSW Motorcycling Alliance (NSWMA).

Main changes to the affiliation are: there is only one fee for affiliation, which now includes Association and Officials Liability Insurance cover. Access to Motorcycling Australia's Public Liability Insurance for events remains available through the event permit system, which must now be submitted to the State body. Each event permits attracts a fee, which is now \$66/event for first day and \$33 for each subsequent day. Any A.A.R. member who requires an event permit should contact the Secretary.
