

### **AFFILIATION WITH MOTORCYCLING AUSTRALIA**

The A.A.R. is now affiliated with Motorcycling Australia (MA) as a non-competitive motorcycle club.

There are many benefits being affiliated with MA, the most significant being the ability to access the same Public Liability Insurance that covers motorcycle sport in Australia, which will cover both our annual rally and any local event the A.A.R. Committee sanctions. MA provides this liability cover to affiliated clubs at no additional cost to the Club, but the Club must obtain a non-competitive permit to cover riding events. While there is no charge to the Club for the permit, conditions apply and these are outlined in the Events Permit Scheme, which can be viewed by clicking [here](#).

A.A.R. members can elect to join Riders Division of MA for a fee of \$25/year, which includes discount benefits from many services throughout Australia (click [here](#) to view the list of benefits available to MA members).

To find out more about MA, go to the MA website at [www.ma.org.au](http://www.ma.org.au).
