ARTICLES FOR THE HORSE'S MOUTH MAGAZINE

The main roles of the Horse's Mouth Editor are to collate articles from members, arrange for them to be formatted into the magazine, and coordinate the magazine to be printed and published. The Editor can only arrange publishing of what is provided by members. Articles can include technical information (not just about Ariel bikes/components, but any technical information that AAR members would find interesting reading), stories of restorations, information on local rallies attended by AAR members, and biographies on persons with connections to Ariel motorcycles. Please help the Editor to stock the magazine with good quality articles by sending in your stories etc.

To ensure a legible reproduction of pictures, please provide the Editor with good quality graphics that are capable of being imported into a Microsoft Word document

Those A.A.R. members who have bikes and parts they wish to sell or buy should contact the Editor to get their requirements posted in the 'For Sale' or 'Wanted' section of the magazine.

The Editor's e-mail is editor@australian-ariel-register.com.
