

17th AAR NATIONAL RALLY
SOUTH AUSTRALIAN RIVER RALLY
MANNUM
APRIL 2010

Not long to go to our River Rally and the organisation is progressing well. Hope you will all have your machines in top condition to present on the road and at the various venues programmed. **Please remember the cut off date for registration, 26th February**, as the work load builds up from then to get all our documentation completed, so get those pens working.

If you have not organised accommodation, you will find as full a list as we can compile of places to contact in and around Mannum. We know the caravan park is booked out at this time so [click here](#) to make it a priority to check out the other places to ensure you are not disappointed. There is also a web site :-, www.murrayriver.com.au/mannum/accommodation/ or phone the Visitor Information Centre - 1300 MANNUM for any latest vacancies.

There have been a number of enquiries regarding a bus to follow the daily routes. We have obtained a vehicle but would appreciate rally participants letting us know by e-mail or phone if a seat is required for partners and friends as space is limited. It will be a case of first come, first in. The courtesy bus is free to non-riding AAR rally entrant members and partners.

For those who may be staying on after the rally there are plenty of areas to visit. The Barossa Valley and Southern Vales wine regions are about an hours drive away and provide plenty of tasting venues for a great variety of products plus some interesting olive estates covering a wide range of oils and unique olive varieties. Adelaide city is well worth a visit having a major art gallery and museum complex. There are many good restaurants and cafes to keep the most discerning gourmet satisfied. A visit to the hills town of Hahndorf is a must on the way through on the freeway to Adelaide as it houses a wide range of craft shops and a number of hotels of the German style and art galleries including Hans Heyson House.
