

AFFILIATION WITH MOTORCYCLING AUSTRALIA

The Australian Ariel Register was been affiliation with Motorcycling New South Wales (MNSW) until 31 Jan 20, where up unto that time it was able to obtain liability cover for the Club and its events through the National Motorcycling Alliance (NMA). After the NMA was disbanded by MNSW, the AAR accepted an offer to affiliate with Motorcycling Australia (MA). Through the current affiliation with MA, the AAR receives liability insurance for its Committee and also an annual event permit that provides public liability cover for any road riding events held by the Club, including its annual rally.
