**AAR POLO SHIRTS**

Anyone wanting an AAR polo shirt in one of those sizes should advise the [Regalia Officer \(Allan Boyd\)](#) before they are all sold. Remaining stock (with sizes) is shown in the table below.

When more shirts need to be ordered, the minimum order quantity that will be made is 30 shirts. So once the stock listed below is sold, no more shirts will be made until there are orders/interest for 30+ shirts. So there may be a waiting time for the next supply.

Embroidered Logo

Polo shirt material is *poly-cotton pique* (65% polyester/35% cotton), a hard wearing and durable fabric that is suitable for all-day wearing, and will retain colour and shape with machine washing. Shirts are generously cut to fit Australian sizes<sup>1</sup>. The AAR badge is a copy of the AAR cloth regalia badge (75 mm) and is embroidered on the shirt (on the pocket of the men's style and directly on the shirt of the ladies style).
